

FINDING THE RIGHT SKIN CARE

"Building your perfect skin care routine to maintain beautiful, hydrated smooth skin"

Find the right products with ingredients that fight wrinkles, hyper pigmentation and dehydrated skin.

With so many products on the market these days, finding the right product that suits your skin is not an easy task. Skin care is not always that simple because there are so many **chemical ingredients** in products that could cause allergic reactions to your skin.

Presented by Carmel Shum, Medical Aesthetician

Date: Sunday January 20, 2019

Time: 3:30pm to 5:30pm

Place: Old Unionville Community Centre
Main Street, Unionville
