RE: Donation to Bereaved Families of Ontario – York Region

Attention: Angela Wong, AGOAC Craft Group.

On behalf of our Board of Directors, please accept this letter as a genuine thank you for your charitable financial donation of \$2338.00(cdn) to Bereaved Families of Ontario – York Region (BFOYR).

It is this generosity that helps us keep all of our programs accessible for individuals who live and work across our beautiful York Region, who need timely grief healing support.

We would like to show our appreciation of this donation by displaying a cheque presentation photo on our website along with AGOAC's organizational Logo in recognition of this wonderful financial support.

In closing, we are so grateful to the AGOAC Craft Group for this very generous financial donation. All funds will be used to ensure ongoing grief healing peer support programs across York Region.

Please note that all 2021 donation tax receipts will be issued in January 2022 by the financial department of BFOYR.

Most sincerely,

Barbara Bathurst, Executive Director
Bereaved Families of Ontario – York Region
