

SPECIAL REGISTRATION NOTES FOR THIS TERM
TERM TUESDAY, SEPTEMBER 26 - FRIDAY, DECEMBER 29, 2023

This registration is for the permanent **“Core”** Pickleball Sessions. Temporary sessions will be registered separately using the **“Core”** wait list.

While you can select up to 3 choices **there is no guarantee** of any choice. You do not have to select 3 choices, you can select any number you want. Capacity restrictions for each session can affect your final choices assigned. All days and times are subject to change based on external factors. Duplicate choices for the same session will be ignored. (ie: First Choice is Tuesday and Second Choice is Tuesday then Second Choice will be ignored). There is also a possibility you may be placed on a wait list based on capacity limits for any given session. Further information is on the Registration Form.

OTHER NOTES

1 - The **annual \$5.00 ball fee** will be collected from all players during their first play session.

2 - A player will be allowed **2 NO SHOWS** and then may be removed from their assigned slot and placed on the wait list. A **NO SHOW** means no absence form has been received prior to the player’s assigned session. The absence form must be received at least **8 hours prior** to the start of the session. Exceptions will be considered on an individual basis. You will automatically get emailed a copy of your absence form to your valid email address when submitting. If an absence form is received **less than 8 hours** before the start of the session and the vacancy cannot be filled it will still count as a **NO SHOW**. This is particularly critical with the early morning sessions.

All email communications to registered players will contain the link for the absence form.
