

SPECIAL REGISTRATION RULES FOR THIS TERM ONLY

Because of time delays in getting the renewal and new membership procedures in place there have been some accommodations made to the registration process for this term ONLY

1 - **Question:** I have missed the August membership renewal dates and cannot renew until after Labour Day. Can I still register for this Pickleball Term?

Answer: Yes you can. However, you must have renewed your membership before your first registered play session. Memberships will be checked and if you do not have the new white membership card you will be removed and placed on the wait list and may not be able to get your time slot back.

2 - **Question:** I want to join AGOAC and play Pickleball, but I can't get a membership or membership number until after Labour Day. Can I still register to play Pickleball?

Answer: Yes you can. You will register using the special membership number 9999. However, you must have completed the new membership process and received your permanent AGOAC membership card with number before your first registered play session. Memberships will be checked and if you do not have the new white membership card you will be removed and placed on the wait list and may not be able to get your time slot back.

OTHER NOTES

1 - The **annual \$5.00 ball fee** will be collected from **all** players during their first play session.

2 - There is a new link to the absence form. If you have the previous link delete it and replace with this one. The old form will not be accessible. A player will be allowed **2 NO SHOWS** and then may be removed from their slot and placed on the wait list. A **NO SHOW** means no absence form or email has been submitted prior to the player's registered session. The absence form or email must be received at least **8 hours prior** to the start of the session. Exceptions will be considered on an individual basis.

Absence Form Link:
