Attn: Ms. Angela Wong
Angus Glen Older Adult Club (AGOAC Craft Club)

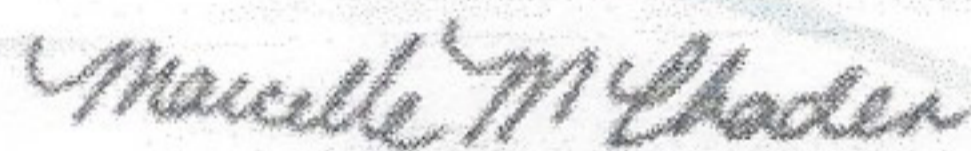

Dear Angela and members of the AGOAC Club,

Thank you so much for your donation of Izzy Dolls and baby hats to Health Partners International of Canada (HPIC). Your wonderful creations will be travelling around the world and bringing a smile to a child and mother who have received essential medicines and healthcare.

All Izzy Dolls donations are packed with care and are sent with doctors and other healthcare professionals inside Humanitarian Medical Kits, which contain essential medicines and medical supplies. Izzy Dolls help to protect the medicines in lieu of packing Styrofoam. Sometimes they are a child's first toy and cuddly friend. The baby hats are part of our Mother/Child health initiative, given to mothers for their newborns.

Your donation, and the time you devote to making these knitted items mean so much to us, and to all of the mothers and children who receive them.

A very big thank you, on behalf of everyone at HPIC, for helping us to keep our mission of restoring health & bringing hope alive and for your hand-made creations that bring comfort and cheer to the youngest of patients!

Marcelle McPhaden
President & CEO

PS If you have questions about your donation please contact Ruth Frenette at info@hpicanada.ca

*You are part of a Canadian legacy
started in 1993 by MCpl. Mark Isfeld and
his mother, Carol Isfeld, to bring smiles
to faces of children of war and the
poorest of the poor on the planet.*

*Carol considered all of the knitters and
crocheters of Izzy Dolls and Izzy
Comfort Dolls her "Angels". You are one
of her Angels and we thank you for
contributing to over a million Izzy Dolls
that have been created nationwide.*

*"Your gift was giving because you cared,
Now others feel the love you shared
And so my son, around the world
Your flag of love has been unfurled."*

*"In life you made so many friends,
Seeds of love, that never end.
Dolls are sprouting far and wide,
I can feel your hug and smile with pride."*
