

SPECIAL PICKLEBALL REGISTRATION NOTES FOR THIS TERM
TUESDAY, JANUARY 7 - FRIDAY, MARCH 28, 2025

This registration is for the permanent **“Core”** Pickleball Sessions. Temporary sessions will be registered separately using the **“Core”** wait list. This means only members who register using the **“Core”** registration form will get the link for the Temporary sessions

While you can select up to 3 choices **there is no guarantee** of any choice. You do not have to select 3 choices, you can select any number you want. Capacity restrictions for each session can affect your final choices assigned. All days and times are subject to change based on external factors. There is also a possibility you may be placed on a wait list based on capacity limits for any given session.

OTHER NOTES

1 - The **annual \$5.00 ball fee** will be collected from all players who have not already paid the ball fee during their first play session. The fee covers September 1, 2024 - August 31, 2025 and is not prorated. It will only be collected from players once between those dates.

2 - A player will be allowed **2 NO SHOWS** and then may be removed from their assigned slot and placed on the wait list. A **NO SHOW** means no absence form has been received prior to the player's assigned session. The absence form must be received at least **24 hours prior** to the start of the session. Exceptions will be considered on an individual basis. You will automatically get emailed a copy of your absence form to your valid email address when submitting. If an absence form is received **less than 24 hours** before the start of the session and the vacancy cannot be filled it will still be counted as a **NO SHOW**. This is particularly critical with the early morning sessions.

3 - All AGOAC members have the opportunity to register for Pickleball through one of the multiple options. All players who select a “Core” registration or the optional **“None of the above. I will wait for registration of temporary sessions Mon (1130-1300), Wed(1030-1230), Thur(1345-1530)” will be added to the Pickleball email list and also our WhatsApp group. This is particularly important for the **“Temporary”** registrations since the temporary registration link will only be sent to registered Pickleball players.**

4 - **All** players on the Pickleball email list can try for “Temporary” spots in the second round of registrations. Those players who were not successful in getting a “Core” assigned spot and are on the wait list trying for “Temporary” spots will be given priority over others that already have an assigned spot in the “Core” sessions. As with “Core” registrations the Google form time stamp will determine the order of selection. Because each registration form can accommodate a spousal couple there is a possibility, because of capacity restrictions, that one member of the couple may not get a spot.

5 - Be careful about choosing between Beginner and Regular assignments. If you choose "Regular Court" and your game play does not match the proper skill level you will be removed and may not be able to get a "Beginner Court" assignment and will be placed on the "Wait List". In addition to having the physical ability to play a game players on the regular court must show the ability to keep score and have a basic knowledge of Pickleball rules such as serving and receiving positions.

6 - The registration form will ask for your AGOAC membership number. This is a 2 - 4 digit number. It is **NOT** the 6 digit City account number (CO-xxxxxx)

All email communications to registered players will contain the link for the absence form.

Registration Form Link. If link is not active then paste into your browser:

<https://forms.gle/bzCUTXMZAp1Muppe8>

The registration form will be open at 9:00 PM Monday, December 2 , 2024.

This is an EVENING registration

The “Core” registration form covers all options to join the Pickleball program
